EDUCATION

UCLA Anderson School of Management, Los Angeles

June, 2016

Ph.D. Management (Operations Management)

Dissertation Title: Resource Planning Models for Healthcare Organizations

Indian Institute of Technology, Kharagpur

May, 2006

M.Tech. Instrumentation Engineering, 2006

Thesis Title: Classification and Regression Trees for Natural Text to Speech Synthesis

B.Tech. Electrical Engineering

Minor, Electronics and Telecommunication Engineering.

EXPERIENCE

Kenan-Flagler Business School, University of North Carolina

May 2016–present

Assistant Professor

Chapel Hill, NC, USA

- **Research:** Collaborated with healthcare technology firms and 4 major healthcare systems in U.S. to develop data-driven models for workforce and resource planning. Models were implemented at hospitals and have led to several million dollars in cost savings annually and publication in top tier operations management and operations research journals. Invited to present research at 30+ national and international conferences and seminars.
- **Teaching:** Taught 100+ students each year across courses in Operations Management, and Healthcare and Service Operations (Average Instructor Rating: 4.69/5).
- **Service:** Organized and chaired 10+ sessions at national and international conferences. Served as a reviewer for 7+ top tier journals in operations research and operations management, reviewing 50+ manuscripts. Judged over 10 research paper competitions. Served in Organizing Committee for several conference and seminars at UNC, Chapel Hill.

Indian School of Business, Hyderabad

2024-2024

Visiting Faculty

Hyderabad, TG, India

- Co-Instructor for Prescriptive Analytics and Business Decision Making (Term 3)

Research Associate

2010-2011

- Assisting Faculty in Research

UCLA Anderson School of Management, Los Angeles

2011-2016

Teaching Assistant

Los Angeles, CA, USA

- Teaching Assistant for Executive MBA and Fully Employed MBA courses for over 150 students each year.

Schlumberger Ltd.

2007-2010

Business Analyst & Manufacturing Engineer

Pune, India; Houston, USA; Paris, France, Stonehouse, UK

- Lean six sigma process improvement projects in manufacturing and supply chain operations
- Managed and supported supply chain IT systems for global manufacturing and supply chain operations

ITC Ltd.

2006-2007

Assistant Manager (Operations)

Chennai, TN, India

- Stabilized a new manufacturing process for a new product worth \$5 million in annual sales. Managed supplier development, quality control, and production planning.

HONORS

Bullard Faculty Research Impact Award (co-winner with Vinayak Deshpande, 2024), Nominated for Weatherspoon Undergraduate Teaching Award (2023), POMS Research-in-Practice Showcase Presentation (2022), Finalist: INFORMS Innovative Application in Analytics Award (2022), UCLA Dissertation Year (2015), UCLA Anderson Doctoral Fellowship, Fellowship for Post Graduate Studies (2011-2016), Government of India, National Talent Search Examination Scholarship, Government of India (1999-2006).

TECHNICAL SKILLS

Computer Languages: Python, R, C++, Julia, shell scripting.

Computing Tools and Libraries: Stata, SQL, Gurobi Optimization Library, GAMS, AMPL, BARON, Tableau, Jupyter Notebooks, git, pandas, scikit-learn, scipy, statsmodels, slurm.

Mathematical Skills: Large Scale Mix-Integer Programming, Convex Optimization, Stochastic Programming, Robust Optimization, Simulation, Machine Learning, Regression Analysis, Time Series Analysis, Queuing Theory, Markov Decision Processes, Dynamic Programming, Game Theory, Causal Inference
